The Evening Post.

WILMINGTON, N. C.

Tuesday, August 12th, 1873.

Cut this Out.

So many persons are desirous of knowing whon the Courts in this district are held this Fall, we publish a list for their convehience. Those interested had better preserve a copy.

BRUNSWICK—Fourth Monday in August—August 25th.

BLADEN—Second Monday after the fourth Monday in August—September 8th.

COLUMBUS—Fourth Monday after the fourth Monday in August—September 22d.

ROBESON—Sixth Monday after the fourth Mouday in August—October 6th.

NEW HANOVER—Eighth Monday after the fourth Monday in August—October 20th.

DUPLIN—Twelfth Monday after the fourth Monday in August—November 17th.

Every Justice of the Peace is required by law to file a written statement with the Clerk of the Court, within the first three days of each term, containing a synopsis of every criminal case tried by him, how disposed of, etc. He is also required to deposit all papers connected with all State trials, with the Clerk, for the inspection of the Solicitor.

The democrats claim that the amendments have been adopted by an immense majority, but we prefer to wait before we are willing to admit the extravagant figures claimed. The Republicans in the West scem to have voted for them, *en masse*, but the democrats still persist now in calling it a party triumph! We believe that those of our party, who voted for them will still regret it bitterly, but we never recriminate and shall not complain now. We did all we could in the premises, though we knew it was not a party question, but one of policy. Many good men of our party advocated them, much to our regret, though we do not criticise their motives for so doing. One democratic paper opposed them, thongh most of the press favored them. Meanwhile we will patiently wait, fearing and dreading that our State will be thrown into repudiation by the democratic legislature this winter, and that the State Senate will remain in its unjust apportionment for at least ten years longer.

For the Post.

"Fiat Justicia Ruat Cœlum."

MR. EDITOR:—In the *Journal* of today is a communication about "The Late Regatta," in which "A. C. Shell" makes a feeble attempt to explain about the "Retta" coming out victorious over the "Carolina" at the regatta on the 6th inst.

It is a very common thing, Mr. Editor, for those who have been badly beaten in anything, and particularly in a yacht race, to begin making excuses for their failure, and although they do not convince any one, they usually, as in this instance keep up as much fussing as an old wet hen. We are sorry for the old *shell* who seems to be entirely too selfish, (as all such *shells* are) to accept with good grace the inevitable result of the contest which awarded the first prize to the beautiful and swift Retta. Everybody knows that those interested in a loosing boat are allowed the privilege of making any number of excuses; they don't help them any, it is true, and it don't hurt the fame of the winner, and all the talk about the Carolina being in bad order, and having badly fitting sails, &c., when we are also informed that she was just from under the hands of the carpenter and painter, are absurdities too ridiculous to mislead any one.—It won't do, friend *Shell*, and although that "host of admirers" are so badly disgruntled, it is all the same.—The race was a fair one, the Carolina *never was* in better trim and condition for racing than on last Wednesday, and the "oppression and foreboding of coming disaster, and the doubt of being able to get her up to her average standard of excellence by her captain," were but a natural consequence, after the little flirt of sailing had between the yachts in question just before the regular race.

I am glad to see these friendly contests between the yachts that adorn these waters, and when the beam of the balance is so evenly poised as between the Retta and the Carolina, boats built in our midst and by our own mechanics, the interest in them is greatly increased; and I look forward with great pleasure to the next coming regatta, believing that the Retta will do as she did last week, and carry off the first prize, while the Carolina will make desperate though unavailing exertions to prevent it.

— Jules Janin, the distinguished *literateur*, is seriously ill.

— The reorganization of the army in Catalonia is actively going on.

— All Spanish officers refusing to take their posts in the army are to be tried by court-martial.

— A dispatch from Madrid says the Intransigentes have sent commissions into the provinces to incite insurrections among the soldiers.

— The London *Observer* says the current report that Ayrton, late commissioner of public works, is to succeed Mousell, Postmaster General, is untrue.

— The *Independance Belge* pronounces as unfounded the reports that Austria had directly or indirectly interfered in negotiations with Count de Chambord.

— William W. Clark, formerly Professor of Natural Science in the State Normal School at Albany, died at Rochester, N. Y., Sunday morning, aged 49. In 1849 he assisted in making the State geological survey, and in 1852 made a similar survey in North Carolina with Professor Emmons, of Albany.

— After carefully comparing and reviewing the estimates of the loss by the Portland fire, it was put at about $600,000, as follows: Damages to Galt's wharf, $100,000; buildings on it, $10,000; elevator, $50,000; contents of elevator, $25,000; coal on Galt's wharf, $25,000; steamer Dirigo, $100,000; steamer Montreal, $140,000; steamer Carlotta, $50,000; Atlantic wharf and buildings, $40,000; coal on it, $1,000; wood on it, $500. The total freight on board the three steamers and in the three sheds, and in the storehouses, $10,000. Two cars loaded with linseed oil, $7,000; Neal's rigging loft, $1,000; Stewart's stores of the steam packet company, $3,000; private property of one hundred and fifty employes on the boats, $3,750. Total, $549,750. This leaves $50,250 for errors and omissions.

— A heavy storm, accompanied by wind, lightning, and unusually loud and sharp peals of thunder, occurred in the vicinity of Baltimore between 2 and 3 o'clock Sunday morning. The sloop Lucy, Captain Christy, of Brandywine, Del., while lying at Lightstreet wharf, was struck by lightning, and topmast and lowermast shivered. Chatsworth and Schroeder runs, in the northeastern section of the city, overflowed, and the foundations of several houses in course of erection were washed away. The cellars of a large number of buildings were flooded. The aggregate loss is several thousand dollars. The stable of George Sheets was struck by lightning, and a valuable mare was killed. The schooner Leonidas, Captain David Howard, was also struck by lightning during the storm, and her mainmast shattered. The box factory of S. Grabe & Co., on West Falls avenue and Lombard street, was struck by lightning, entailing a loss of $2,000.

ANOTHER MURDER in Robeson county startles the people in that vicinity. This time it was Floyd Oxendine, a peaceable young colored man residing in "Eureka." Of course he was assassinated, and no clue to the murderers. It is to be hoped that ere long this poor unhappy county will be thoroughly freed from this gang of murderers which infest her borders.

THE ODD FELLOWS BALL last night at the City Hall was not only a perfect jam, but a good pecuniary success. We believe that they all enjoyed themselves to the utmost and these annual reunions are becoming more and more entertaining every year. The funds realized are to be appropriated to the purchase of a lot on which to erect a lodge room. The Rose Bud Band which furnished the music, played remarkably well on the parade yesterday, and maintain their good reputation.

ACCIDENT.—Yesterday afternoon a little boy who had been playing on some flat cars at the depot of the Carolina Central Railway Company, attempted to step from the car to the tender while the train was in motion. His foot slipped and he fell between the car and the tender, but was fortunately thrown by the rim around the tender on the side of the track instead of across it, as he would have undoubtedly done had he not been thrown off. He was picked up very much bruised and badly frightened, but no bones were broken.

The Raleigh *Sentinel* has entered upon the ninth year of its existence. May its shadows never grow less.

THE TOWN CRIER.

— Mild.

— Gold is 115¼.

— City very quiet.

— Very sultry last night.

— Read the city advertisements.

— Hon: S. N. Martin is going to Europe.

— Odd Fellows had a grand time last night.

— Ice water is very enjoyable during this warm spell.

— Hall is still turning out splendid jobs of printing.

— We pity the sufferers at the watering places this hot weather.

— The newly elected Magistrates are coming in to qualify before the Clerk of the Superior Court.

— The *Daily Graphic* balloon fast approaches completion. We don't want to go in it, we believe.

— Wilmington Steam Fire Engine Company No. 1 meets to-night. Every member is required to be present.

— Mr. J. C. Hill, Register of Deeds, announced the vote for this county yesterday in front of the Court House.

— Fat mullets are now "running," and fishermen are preparing for the Fall campaign. They are just elegant.

— Music at nightfall, from lips that we love, has no connection with the songs we heard last night at midnight.

— We are pleased to note the satisfaction our Mayor gives the people. His bitterest political opponents admit that he makes a first rate Mayor.

Brunswick County.

Smithville elected Republican Magistrates, viz: Jno. L. Wescott and Lewis A. Galloway over Jno. L. Woodside and William Drew. A remarkably large vote was polled.

North West; Swinson and Lawton as Magistrates. These gentlemen are Republicans.

TOWN CREEK.—E. Thomas and Benjamin Lock were elected Justices of the Peace. The county went 53 against the Amendments, which is pretty good for our neighbor.

ANOTHER KEROSENE ACCIDENT.—A colored woman by the name of Johnson, residing on Fifth street, narrowly escaped death yesterday by the bursting of a kerosene oil can, from which she was pouring oil to increase a fire she was building. She was severely burned, but fortunately the flames were extinguished by Mr. W. D. Mahn, who resides in that vicinity. It was a very narrow escape, however, and is another warning against the careless use of that inflamable material.

BIG SCARE.—This morning one of the driving bands in Colville & Co.'s mill broke with a loud noise and flew away, making it pretty lively for a minute or two. The neighbors were all frightened, thinking there was another explosion, but soon got over the scare. They should remember that lightning seldom strikes twice in the same place, and they need apprehend no more danger on that score. We will wager the assertion, that every boiler in the city will explode before we hear of a similar accident at this mill.

THIS morning while some of the employes of the National Hotel were moving a large wardrobe, it was suddenly overturned upon Miss Alice, a young daughter of Mr. Reuben Jones, the proprietor. The crash was very startling, causing a rush of boarders and waiters to the room, when the wardrobe was removed from the prostrate form of the young lady. Fortunately she was not seriously injured, but it was a narrow escape.

MURDEROUS ASSAULT.—A colored man by the name of George Goodman, residing at Town Creek, in Brunswick county, was severely injured yesterday by a man whose name we could not learn. It seems that Goodman had loaned this fellow a cart some time ago, and yesterday he went after it. An altercation occurred, and the ruffian seized a grubbing hoe and struck Goodman over the shoulder, breaking the collar bone, and on the head, knocking him senseless. Dr. Frank Newell, who, by the by, has become very popular in that vicinity, was called to attend the wounded man, but when our informant left he had not regained consciousness. Mr. E. Thomas authorized the arrest of the ruffian, who is probably ere this in custody.

Photographers are doing an excellent business on the seaside, a mania having developed itself among the ladies for pictures of themselves seated in romantic groups on the sand.

A new watering place is to be established by Philadelphians on Long Beach opposite Tuckertown, N. J., to be called "Seaside." The design is to establish a summer resort free from fashion.

The difference between the specimens of feminine New York and feminine Boston, as shown at the watering places, is said to be that the former is a representative of high style and the latter of high art.

Croquet has been voted the game of the Branch, and little parties of ladies and gentlemen may be seen interested in the sport every morning and afternoon on the hotel lawns.

A very large number of Southern families are at the White Sulphur Springs, Va., and social festivities on an extensive scale have already commenced among the "cottage people."

Rye Beach is still a popular summer resort, and the number of visitors this year is larger than it has been since Deacon Philbrick and Job Jenness opened their hotels, more than thirty years ago. Secretary Robeson is among the present visitors.

As a delightful summer resort North Conway is holding its own year after year, although other places may temporarily become more popular. The cool and refreshing mountain breezes here, the grand and enchanting scenery, and the beautiful drives have a charm more lasting than those of the merely fashionable resorts. The season is gradually approaching its height.

Robert S. Taylor of Long Creek; Craven county, met with death in a most singular and horrible manner on Sunday morning last at about 2 o'clock, as supposed. He left New Berne in company with Mr. Thomas Grover, who kindly gave him a passage in his boat at his request on Saturday night last. Mr. Grover landed him at the mouth of Coaties Creek at 1½ A. M. Sunday morning and proceeded to his home a short distance away and Mr. Taylor also proceeded homeward on foot. He was not heard of until Thursday last, and much uneasiness was felt regarding his absence by his neighbors, he being subject to fits. He was found dead on Thursday about one mile from where he landed with his back broken and a pine sliver projecting from a stump run into his body near the shoulder; his collar bone was also broken. From the position of the body it was evident that in passing around a fallen and partially burned pine, he had tripped over a bent gum sapling and fallen across a stump hole striking on his face and receiving the sliver at the same time from the partially imbended stump in it. The fall also broke his back as his hands were extended down the hole and from appearances, could not have broken his fall. A bag which he carried containing papers lay near him. It is supposed that he must have died almost instantly from the position of the body. Justice Grover appointed Joseph H. Wallace special coroner, who held an inquest the same day and rendered a verdict of accidental death in accordance with the facts related.

The Fayetteville *Eagle* says: "About one year ago, Mr. Abiel Deal, an old man of over one hundred years, professed religion, but has been unable to be baptised according to his faith until last Sunday, when he was carried in a chair from his residence, in this county, three miles below Fayetteville, near Spring Hill, to a creek several hundred yards distant and there immersed by the Rev. E. K. Statzer of this town.

TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is positively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES MCCABE, Southern Passenger Agent, near College street Depot, Nashville, Tenn., or to the undersigned.

EDITOR & PROPRIETOR.

Published every evening, except Sunday, at

The POST is designed to reach all classes of citizens, and its subscription price is therefore placed so low as to be within the reach of all. It contains the

LATEST NEWS,

up to the time of going to press,

TELEGRAPHIC,
BY MAIL,
COMMERCIAL
AND LOCAL.

It should be in the hands of every man who desires to know what has transpired during the day, and, as it aims to give

RELIABLE INTELLIGENCE,

its publisher hopes it will prove a welcome guest in many families.

THE POST

is sprightly without being sensational, and it carefully excludes all objectionable incidents and reports calculated to offend the sensibilities of the most fastidious. As an

Advertising Medium

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city.

Politically the POST is

UNSWERVINGLY REPUBLICAN.

Its editor having been a consistent member of that party since 1855, through its vicisitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

THE EVENING POST

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

EDUCATIONAL,
AGRICULTURAL,
MECHANICAL, or
COMMERCIAL,

will find an enthusiastic ally in THE POST.

THE POST

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.

"SPECIMEN AND PRICE LIST FURNISED GRATIS."

We especially call the attention to the following testimonials of the Paint:

C. P. Knight, Esq.—Dear Sir: I have used Bradley's Patent Enamel Paint on my dwelling last Spring, and am much pleased with it, and it looks as well now as when first painted, and consider it a good Paint. Yours, truly,

Creswell P. O., Hartford county, Md., Feb. 6th, 1873. A. H. STRASBAUGH.

THE PLAINS, FAUQUIER CO., VA., Feb. 6th, 1873.

Mr. C. P. Knight—Sir: The Paint came safely to hand as ordered—two kegs, five gallons each, and three buckets, one gallon each. As practice was slack, I did the job myself. Two weeks, (not constant work,) completed the house two coats. The last coat I applied thick, and it is now generally conceded that for enamel-like hardness, and body, and harmony of colors, there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any country lad can apply it. I have never dabbled in such stock as testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellency of material, in beauty of color, and in the fact of its being "ready mixed" that I give you free permission, (if it is desirable to you,) to make what use you think proper of this letter.

Very respectfully and truly, S. MCGILL, M. D.

TO THE PUBLIC—It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and, to testify to its superiority over any and all other paints for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it appears as sound and fresh as when put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purchasers, its quickly drying properties, which saves much time in the execution of work were paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most earnestly recommend it to the merchants and tradesmen of our city, believing it will give them greater satisfaction than they can possibly anticipate. WM. E. SINN,

BALTIMORE, April 25, 1873. Front Street Theatre.

CHAMBERSBURG, December 10th, 1872.

Mr. C. P. Knight—Dear Sir:—The paints we received from you have been applied to several of our own buildings and to those of our friends, and have given entire satisfaction in covering qualities, in gloss, and in adaptability to all kinds of surface of material and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters to mix and furnish materials, wherein we have found the most deception. Yours, truly,

JACOB STOUFFER & SON.

FROM HON. JOHN WETHERED.

Mr. C. P. Knight:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than ordinary paint, and is freer from disagreeable odor.

Yours, Respectfully, JOHN WETHERED.

BALTIMORE, December 27th, 1871.

C. P. Knight, Esq., Agent for Bradley's Patent Enamel Paint—Dear Sir:—The paint we purchased from you we will cheefully endorse as the best of any kind we have ever used; its covering qualities is everything desired, drying promptly and with a hard gloss which must, we think, resist the action of all k nds of weather. This is our experience, and we can recommend it with certainty, and intend to use it on all occasions where we desire a goed job of work.

Very Respectfully, EMART & QUARTLEY, 270 W. Baltimore St. House, Sign and Frescoe Painters.

PLEASANTVILLE, HARTFORD CO., MD.

Mr. C. P. Knight—Dear Sir:—I am very happy to inform you that your "Patent Enamel Paint" has given entire satisfaction. I prefer it to any paint I have ever seen used, and recommend it for durability and beauty as paramount to any other.

Very Respetfully, R. DICKEY, M. D.

C. P. KNIGHT, Sole Agent, No. 93 W. Lombard Street, Baltimore.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly, proves its continued adaptation to popular desires and needs.—Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*

AS A FAMILY PAPER,

The TIMES will have no superior; it will be free from all appeals to vulgar and impure tastes, and may be safely admitted to every domestic circle.

AS A REPUBLICAN JOURNAL,

The TIMES will be devoted, as in the past, to an intelligent and firm support of the Republican Party. Its course in reference to the Tammany Ring, at a time when all the other daily papers in New York obstructed and discouraged its efforts, attests its sincerity in the cause of Reform. The TIMES stood alone in demanding Reform from 1869 to the close of 1871, and there is no sincere and honest proposal for Reform, in any branch of the Government, which will not be heartily supported by the TIMES. But it will not conspire in assisting ambitious politicians or demagogues to reach power under false pretenses. It will not encourage defection from the Republican Party, which is still the party of progress, security and national prosperity.

It will sustain, with all the force and influence at its command, the principles and policy which have rendered that party so justly famous in our history. It will advocate those measures by which the honor, the peace, and the prosperity of the nation can be best secured and promoted, and will constantly study the wants of the people rather than the wishes of the politicians.

THE NEW YORK SEMI-WEEKLY TIMES

Is published every Tuesday and Friday, and contains all the agricultural and literary matter of the Weekly edition, and a full and careful compilation of editorial and news features of the Daily.

Terms of the Semi-Weekly TIMES: One copy, one year. $3; two copies, one year, $5; ten copies, one year, $25—and one extra copy free.
